New Business:

Newsletter: This is the last month that the newsletter will go out to residents unless specifically requested. There will be a digital option that can be emailed, and they will be available at the store and at the township building.

PA one Call: PA one has been updated with the current information. Before now the calls were being handed over to Duane C. and he was responding to them.

Jake Hastings pay: In the last organizational meeting a pay of \$16 was approved for Jake H. This rate is .75 cents less per hour than he had previously made. There was no documentation as to why his pay was reduced. Jake will be paid the .75 cents per an hour for each hour he has worked since the change in **pay**.

Chip and Oil of Club Hill: This will be handled ASAP

Traffic Study: During the discussion on doing a traffic study it was brought to our attention that what we need is a daily traffic study. We will be arranging one, hopefully for the first two weeks of July.

Public Comment:

The public feels that the township is moving in a positive direction. The public asks that they be kept up to date on what is happening with Duane C. it was asked if he will be returning or if he is to remain on workers comp. The board advised that we do not know what will be happening. That we remain in a wait and see situation.
